Charging Into A New School Year

On August 15th, Isle of Wight Academy welcomed 723 students back to campus for the 2018-2019 school year. There were new faces, new teachers and even the library got a facelift over the summer!

This year we welcomed several new faculty members (L-R): Dale McGiboney (Music and Band), Jalee Addison (4th Grade), Leslie Hamrick (4th grade), Johany Davis (Spanish), and Heath Henderson (History).

Check Out The Library!

This summer the IWA library underwent a transformation. As soon as school ended, everything was removed except for the exterior walls. By the time August 4th rolled around, the change was complete. New paint, new flooring, new lighting, new furniture, new shelving and reconfigured areas will make this space more user friendly and able to better accommodate our present student body's needs. Next time you are on campus, come check it out!

Help Us Recycle

Once again the JSCO will be collecting plastic. This community service project will run until May of 2019. You are able to send in any of the following throughout the year:

- Grocery bags
- Toilet paper /paper towel wrapping-not tubes
- Bread wrappers
- CLEAN Ziploc bags

Collection bins are located in the IWA main office, Mrs. Spain's NEW room (G-5), and Mrs. Davis' room (middle school E-6).

If you have questions please reach out to the JSCO sponsors: Shannon Spain (shannonspain@iwacademy.com) or Aly Davis (alydavis@iwacademy.com).

BUY YOUR Yearbook

Be sure to pre-order your 2019 IWA yearbook now and remember all the special moments of the 2018-2019 school year. Students in grades 6-12 will already receive a yearbook as part of fees paid at the beginning of the school year. Students in preschool -5th grade can visit www.yearbookordercenter.com and enter code 13543 to place their order online. Yearbook order forms can also be found on the IWA website. Yearbooks can be ordered now through Monday, October 15th for \$50.00 and after October 15th, the price will increase.

Let's Go Chargers!

The fall sports season is in full swing here at IWA. Stop by and cheer our cross country team on at Windsor Castle Park one day, or head out to campus and cheer on one of our volleyball or football teams. Schedules for each of our sports teams can be found under the Athletics tab for that respective sport on the Isle of Wight Academy website at www.iwacademy.com.

STEM, LAPTOPS, and MORE

As school starts, our students are busy with many activities in the classroom. Recently we caught some students in STEM class who were tasked with using the given materials to construct something and we saw their efforts to create the Golden Gate Bridge, airport runways, and more. Students in 4th grade have been using the laptops in class to help them practice their spelling words and get accustomed to the keyboard. It's been a busy few weeks for our Chargers!
