IWA CHARGER SOCCER CAMP

The Charger Soccer Camp is a skills camp conducted by the Varsity Soccer Coach along with alumni soccer players and current players.

Some of the skills taught include:

K-4th grades will focus on developmental and fundamental skills designed for young players or new players. We will be teaching them basic skills of soccer: passing, trapping, dribbling, shooting and sportsmanship.

For 5th - 8th grade will also have some basic skills but with more drills and scrimmages, to apply and reinforce what they are learning.

I look forward to helping your child improve their soccer skills or to develop new ones.
