

UPPER SCHOOL SUPPLY LIST

Math

Mrs. Bradshaw (Algebra II, Advanced Math, Calculus)

- 3 – ring binder for notes and handouts
- Graphing Calculator **TI-84 Plus** recommended *I do not recommend the ones with the rechargeable battery as students do not keep their calculator charged and the charge does not last very long. The regular batteries will last a year or more. *Also, if you choose to buy a different one other than the TI-84 Plus then the student will be responsible for learning how to use it.
- Loose-leaf paper, pencils, erasers.

Mrs. Gay (Algebra I, Algebra II and Geometry)

- Calculator with advanced functions - don't need a graphing calculator for this class but will eventually need one for future classes. Graphing Calculator **TI-84 Plus** recommended *I do not recommend the ones with the rechargeable battery as students do not keep their calculator charged and the charge does not last very long. The regular batteries will last a year or more. *Also, if you choose to buy a different one other than the TI-84 Plus then the student will be responsible for learning how to use it.
- Pencils and erasers - no pens allowed
- 3-ring binder for notes and handouts
- Loose-leaf paper
- Protractor (Only Geometry students will need this)

Mrs. Stephens (Algebra I, Dual Credit Statistics, Dual Credit Linear Algebra)

- 3 ring binder - at least a 1 inch. You can get larger, but one inch is usually good for one 9-weeks. If your child is rough on their supplies, get several of these for the school year.
- Plenty of paper!!! We take notes daily and they complete warm ups on their own paper as well. This will need to be replenished on a constant basis.
- Pencils-we do not use ANY pens in math - any papers done in pen will receive a grade of zero!! The students need several pencils EACH DAY!! This will need to be replenished on a constant basis. If a student needs to borrow a pencil from the teacher, they will need to leave some sort of collateral in order to ensure the teacher has an adequate supply for other students in need.
- Calculator-simple dollar store or Walmart calculator. They usually don't last very long, so you could get a few. They are only allowed to use them after chapter 1 in Algebra. Dual Credit courses will need a graphing calculator.

UPPER SCHOOL SUPPLY LIST

Science

Mrs. Butler (Science)

- 3 ring binder
- Loose-leaf paper
- blue or black ink pens
- basic calculator

Mrs. Key:

Honors Anatomy
