JANUARY NEWS

Munford's Memos

Dear Charger Family,

Happy New Year to you and yours! I sincerely hope you and your family had a restful and enjoyable holiday break. Although I enjoyed my time with my family, it's wonderful to welcome all of our Chargers back to campus. Time certainly is going by quickly. Our students returned on Monday, January 4th, with the beginning of our second semester. I am proud of our students and how hard they are working. They are performing well in the classroom and are actively engaged.

Please, please if your child is not feeling well or showing symptoms of the flu keep them at home. A gentle reminder to continue to wash hands, use hand sanitizer, wear your mask and socially distance.

Reminder that we do not have school on February 15th.

We thank you for your continued support!

Mark A. Munford

ATHLETICS

January 2021

This past week, Mr. Chapman and Ms. Brock surprised our Winter Sports Senior Athletes with some socially distanced, special porch drop-offs! The basketball season was cut short for them, however, we are so proud of the Class of 2021 and the commitment these student athletes have made to our basketball and cheerleading teams.

FOR THE KIDS

January 2021

The **FOR THE KIDS** Gala is a tradition and even if we can't all gather in person, we aren't going to let that stop us from doing great things for IWA! This year, we're going to **Celebrate the Night in Red and White** in an online virtual event. Traditionally the largest fundraiser for IWA, we need the help of our entire school community to make this a success once again! You can show your support by being a sponsor, donating an auction item, purchasing dinner, bidding on items and even by sharing the link with friends when registration opens in February. You won't want to miss out on the fun, so plan to show up *Charger Strong* **FOR THE KIDS** on March 13th!
