*We do allow PLASTIC water bottles with screw on tops in 5th grade. NO METAL WATER BOTTLES OR WATER BOTTLES THAT WILL SPILL WHEN DROPPED WILL BE ALLOWED. Only WATER may be placed in water bottles. No flavored water or teas allowed.

*In fifth grade students begin to switch classes. To help keep them organized, each student will need to supply a large, sturdy tote bag to carry all his/her notebooks. The tote does not need to be large enough to hold textbooks or Trapper Keepers.

Thank you,

Fifth Grade Teachers
