

## UPPER SCHOOL SUPPLY LIST 2021-2022

**\*Specific teachers may note additional materials.\***

### Honors Calculus, Advanced Math, Algebra 2

- 3 – ring binder for daily notes, handouts, and homework/classwork
- Pencils for assignments
- Pens for notes, if desired
- **Graphing Calculator – TI 84 Plus** recommended \*If you choose to purchase a different model you will be responsible for learning how to use it yourself. \*Also I do not recommend the ones with a rechargeable battery as they do not stay charged very long and students have a tendency to come to class with them not charged.

### Geometry

- Three-ring binder with paper
- Pencils – NO pens
- Calculator – do not need a graphing for Geometry, but need to have advanced functions:  $\sqrt{\quad}$ , SIN, COS, TAN
- Protractor
- Internet Access for Google Classroom

### Algebra 1, Dual Credit Statistics, Dual Credit Linear Algebra

- 3 ring binder - at least a 1 inch. You can get larger, but one inch is usually good for one 9-weeks. If your child is rough on their supplies, get several of these for the school year.
- Plenty of paper!!! We take notes daily and they complete warm ups on their own paper as well. This will need to be replenished on a constant basis.
- Pencils-we do not use ANY pens in math - any papers done in pen will receive a grade of zero!! The students need several pencils EACH DAY!! This will need to be replenished on a constant basis. If a student needs to borrow a pencil from the teacher, they will need to leave some sort of collateral in order to ensure the teacher has an adequate supply for other students in need.
- Calculator-Algebra 1- simple dollar store or Walmart calculator. They usually don't last very long, so you could get a few. They are only allowed to use them after chapter 1 in Algebra 1. Dual Credit courses will need a graphing calculator.

### Applied Math

- 3 ring binder or spiral notebook
- Pencils and pens
