Isle of Wight Academy football program will be holding our annual football mini-camp for grades 6 and up the week of July 24 through the 27th from 4:00 to 7:00 p.m.

The camp will focus on offensive and defensive skills along with agility and conditioning techniques that players will use in the upcoming season.

Football Camp is conducted by the Isle of Wight Academy football staff and will include additional input from former State Championship team members and current college football players.

All athletes that will be playing football for the 2023 season are strongly encouraged to attend this camp. The camp is not limited to only those athletes who attend Isle of Wight Academy. Athletes from the community are encouraged to attend our camp as well.

All athletes attending the 2023 Summer Football Camp must complete and sign the Football Camp Waiver provided on the IWA School Website and be prepared to pay the camp fee of \$55 dollars on Monday, July 24th, the first day of Football Camp, which will cover the cost of a 2023 Camp Tee shirt and one sports drink each day.

Each camper will receive one 2023 Camp tee shirt. After each daily camp session one sports drink will be provided.

“Isle of Wight Academy’s football program has a tradition of winning. Our camp is designed for athletes to learn the techniques that will help players compete at a high level during the season and prepare them with the skills and knowledge to go the next level. Our coaching staff and myself believe that the skills learned at this camp will help our young athletes become successful not only on the playing field but for the rest of their lives”.
