Charger Café Chronicles • FEBRUARY 2026

Hello Charger Families!

February is here, and the Charger Café is full of warm meals, sweet treats, and lots of love for our students! We are excited to share what's cooking this month!

Also, every WEDNESDAY during the month of February, we are bringing back the Hot Cocoa! We heard you, and we listened! This will be available for all grades. \$1 per cup.

As always, thank you for supporting your lunchroom and allowing us the opportunity to fill your children's bellies so they can absorb all the knowledge they can from our amazing teachers! ❤️
